## A SPACE READY FOR THE IDEA

FP Presents works with the venue team to shape custom layouts, production, decor, lighting, entertainment, and guest experiences around your event.

# Bamboo Lounge

Bamboo Lounge is a vibrant tiki inspired venue located on Trade Street in the heart of Winston Salem's Arts District. Dozens of hanging lights suspended from a dramatic, high ceiling give the interior a warm, energetic atmosphere, while the surrounding Trade Street bar scene places guests in the center of downtown nightlife. A private rear patio offers lounge furniture, heaters for cooler weather, and an inviting outdoor space where guests can gather throughout the event.

While Bamboo Lounge has a distinctive personality of its own, the space is also incredibly versatile. In partnership with the Bamboo Lounge team, FP Presents can transform the venue to fit the theme, style, and vision of each event. Creative lighting, custom layouts, furnishings, decor, and immersive details can be used to make the space feel completely unique. Whether the goal is a relaxed tropical lounge, a high energy celebration, or a fully themed experience, FP Presents can customize how the venue looks, feels, and flows for guests.

Small bites and catering can be arranged to complement the event, along with DJs and other entertainment options. For fully private gatherings, professional security staff can manage guest check in and help ensure the celebration remains exclusive to invited guests. While there is no onsite parking, guests can use nearby on street parking, paid lots, and a parking deck. Bamboo Lounge is conveniently located near The Ramkat, Robert Hall, Artivity on the Green, Millennium Event Center, and the Benton Convention Center.
